

Docket No. 0435.092A
U.S. Serial No. 10/799,818

Remarks

Claims 1-3 and 5-23 are currently pending in the application. The Restriction Requirement alleges that the patent application contains two patentably distinct species: More specifically, one of the following species must be elected in response to the Restriction Requirement:

SPECIES I	Comprises drawing FIG. 1
SPECIES II	Comprises drawing FIGS. 1a and 2

On July 27, 2006, the undersigned attorney had a telephone conference with Examiner Tran, whereby the undersigned was advised that there was a typographical error in the Office Action, and that the application is subject to a restriction between the following species:

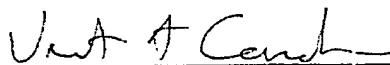

SPECIES I	Comprises drawing FIG. 1 and 1a
SPECIES II	Comprises drawing FIG. 2

For prosecution in this application, Applicant hereby elects Species I. This action is without prejudice to Applicant's right to pursue the subject matter of the non-elected claims in related applications. Claims 1-23 are readable upon the elected species. Claims 1-23 are believed to be generic.

Also, per the undersigned's conversation with the Examiner, Claims 5 and 6 have been amended to depend on claim 1.

Should any questions arise in connection with this Application, Applicant's Attorney can be reached at the below-listed telephone number.

Respectfully submitted,

Victor A. Cardona, Esq.
